

WESEM

additional lamps

ϕ 90

H05

halogen fog lights

*designed for vehicles Renault, Dacia, Peugeot, Citroen,
Suzuki, Opel, Ford, Nissan, Jaguar, Vauxhall*

IP65 rated

for bumper installation

Construction and parameters

Application

To be mounted in the front bumper recesses.

Construction

- metal reflector
- black plastic housing
- glass lens
- adjustment system
- bulb (option)

Additional features

Mounting and adjustment system permits easy and accurate 3D aiming. Lamp construction enables easy bulb replacement without lamp removal from the body.

Equipped with special semi-permeable membrane to allow for pressure compensation.

The optics designed in free form technology gives the lamp a contemporary look and improved light beam.

Bulbs

Fit bulb type:
H11 12V 55W

Parameters

IP65 rated.

Dedicated application

A-vehicles:
